New LDL Course Participants

Because we use a different online learning platform and engage in a flipped classroom and peer review process, we ask that new LDL course participants complete our [New LDL Course Participant Onboarding](#). See also the [Pre-Course Preparation](#) page. **Please do not wait until the first day of class to complete these requirements.** *Attend office hours on the first week of class to ask any additional questions that you might have. You are encouraged to engage with the TAs early in your experience.*
